# FEATURE AUDIT (1/2)

DETAILED SYSTEM BREAKDOWN

PROJECT REF

EV Wheels Service Center ERP

The following section outlines the verified functional modules delivered within the ERP system. Each component has been tested and validated against the "Definition of Done".

## 1. The Financial Core (Banking & Accounts)

Value: ₹60,000

- ✓ Multi-Bank Architecture: Logic built specifically for Indian Bank & HDFC Bank transactions.
- ✓ Partner Ledger System: Dedicated accounts for partners (e.g., Abdul Vahab), tracking every rupee invested or drawn.
- ✓ Cash Flow Intelligence: Real-time dashboard of Inflows vs. Outflows across all channels (Cash, UPI, Bank).
- ✓ Drawings & Investments: Separate tracking for owner withdrawals and capital injections.
- ✓ Daily Financial Reports: Auto-generated PDF reports summarizing the day's cash position.

## 2. Operations & Sales Command Center

Value: ₹50,000

- ✓ Job Card <-> Invoice Sync: One-click conversion of a Job Card into a Final Invoice. No double entry.
- ✓ Advance Payment Handling: Complex logic to handle partial advances, remaining balances, and final settlements.
- ✓ Service Ticket Lifecycle: Reported -> Triaged -> In Progress -> Completed workflow.
- ✓ Inter-Branch Transfers: Capability to transfer Job Cards between locations seamlessly.
- ✓ Professional PDF engine: Tax Invoices, Warranty Certificates, Job Cards ('Customer Copy' & 'Internal Copy').

## 3. Smart Inventory & Procurement

Value: ₹30,000

- ✓ Purchase Order (PO) System: Professional generation of POs for suppliers.
- ✓ Purchase Returns: Structured workflow for returning defective items (Critical for warranty claims).
- ✓ HSN Code Automation: Pre-configured HSN codes for tax compliance on every part.
- ✓ Asset Categorization: Separation of 'Resale Products' vs 'Capital Assets' vs 'Internal Use Tools'.

## 4. Technical Excellence (Invisible Value)

Value: ₹20,000

- ✓ Offline-First Desktop App: Built on Electron. Works even when internet is spotty.
- ✓ Role-Based Access Control (RBAC): Secure logins for Admin, Manager, and Floor Staff.
- ✓ Training & Onboarding: Hands-on sessions to teach the staff how to use the modern system.
